Type of Case:

☐ Other: ______________________________

I served in the United States or a State's Armed Forces and am a defendant whose participation in a veterans treatment court, considering the circumstances of my conduct, personal and social background, and criminal history, is likely to achieve the objective of ensuring public safety through rehabilitation. I am not using my military service as an excuse for my criminal conduct. I am instead seeking treatment for the problems, so that I am able to avoid criminal conduct from this point forward.

I understand that application is no guarantee of acceptance into the PRVTC. The prosecuting agency will conduct a review of my criminal history and the current offense for approval. Violent or assaultive offense (Aggravated Assault, Assault Family Violence, Injury to a Child/Elderly, etc.) may be approved on a case by case basis. Other offenses may be ineligible as well depending on the facts involved or the applicant's criminal history.

By submitting this application to the PRVTC for consideration, I agree to abide by all conditions of bond (if I am granted a bond), I agree to submit to a complete evaluation as directed by the PRVTC, and I agree to provide any requested financial or other documentation as requested by the PRVTC. I understand that failure to abide by conditions of bond, failure to submit to evaluation and treatment during the application process, or failure to submit requested financial or other documentation as requested may result in my application to the PRVTC being denied and my case/s proceeding through the regular criminal justice system.

It is my responsibility to work with my attorney (if I have one) and the PRVTC in a timely manner to provide any necessary documentation and to update any of my contact information if it changes while my application is pending. While my application is pending, I am still responsible to make any court appearances, contact my bond company, and to contact my attorney. I understand that failure to uphold these responsibilities may result in my application to the PRVTC being denied and my case/s proceeding through the regular criminal justice system.

VIII. Acknowledgement by Defendant and Certification of Information

I have been advised by my Attorney or the Court that I may be eligible for participation in the Panhandle Regional Veterans Treatment Court. I have also been fully advised of the details of the PRVTC. Further, I have been fully advised by my Attorney or the Court of my constitutional rights as a criminal defendant and that the same will be set forth in writing and explained to me before I make any agreement to participate in the PRVTC. I will be required to waive said constitutional rights.

I understand that I must abide by all terms and conditions of the PRVTC as explained to me by the PRVTC and my attorney. This may include fees, restitution, or other financial costs if so ordered by the PRVTC or the trial court. I understand that all payments I am ordered to make shall be made by cashier's check or money order.

I hereby apply for status as a participant in the PRVTC and request that the Prosecuting Attorney's Office temporarily abate proceedings in order to permit consideration of this application. I understand that the decision to commence criminal proceedings or to divert from traditional prosecution in my case rests with the Prosecuting Attorney's Office as well as the PRVTC and the Presiding Judge, and that my application is not an automatic acceptance into the program.

I authorize the PRVTC to conduct an investigation to determine my suitability for this program. I understand the investigation may include interviews of individuals deemed necessary by the PRVTC. I authorize the PRVTC to conduct such interviews and review records concerning me in the possession of such individuals in a reasonable manner.

I understand that a false answer to any question during this interview may be grounds for a recommendation against placement into this PRVTC or removal (after placement into the PRVTC), in which case the prosecuting agency will resume prosecution on the original charges.

I understand that if I am accepted into the PRVTC, failure to successfully complete the PRVTC or my voluntary withdrawal from the PRVTC may be used against me on the issue of guilt or innocence or punishment in any future prosecution for this offense. However, if I am not accepted into the PRVTC, neither this Agreement nor any other documents filed with the District Attorney's Office AND/OR County Attorney's Office as a result of my application with the PRVTC, can be used against me.

I understand and agree to abide by any treatment recommendations ordered by the PRVTC, the VA, my current medical provider, or CSCD.

I understand I will be interviewed by a member of the PRVTC and will be given an assessment without my attorney present. My attorney (if I have one) and I consent to this interview and assessment.

I swear and certify the information contained in this application is true and correct and I did not withhold any information. I understand that failure to complete the application honestly and correctly or to withhold any information shall be grounds for denial into or removal from the program.

IMPORTANT INFORMATION ABOUT THE AUTHORIZATION TO DISCLOSE PROTECTED HEALTH INFORMATION

Developed for Texas Health & Safety Code § 181.154(d)
effective June 2013

The Attorney General of Texas has adopted a standard Authorization to Disclose Protected Health Information in accordance with Texas Health & Safety Code § 181.154(d). This form is intended for use in complying with the requirements of the Health Insurance Portability and Accountability Act and Privacy Standards (HIPAA) and the Texas Medical Privacy Act (Texas Health & Safety Code, Chapter 181). **Covered Entities may use this form or any other form that complies with HIPAA, the Texas Medical Privacy Act, and other applicable laws.**

Covered entities, as that term is defined by HIPAA and Texas Health & Safety Code § 181.001, must obtain a signed authorization from the individual or the individual's legally authorized representative to electronically disclose that individual's protected health information. Authorization is not required for disclosures related to treatment, payment, health care operations, performing certain insurance functions, or as may be otherwise authorized by law. (Tex. Health & Safety Code §§ 181.154(b),(c), § 241.153; 45 C.F.R. §§ 164.502(a)(1); 164.506, and 164.508).

The authorization provided by use of the form means that the organization, entity or person authorized can disclose, communicate, or send the named individual's protected health information to the organization, entity or person identified on the form, including through the use of any electronic means.

Definitions - In the form, the terms "treatment," "healthcare operations," "psychotherapy notes," and "protected health information" are as defined in HIPAA (45 CFR 164.501). "Legally authorized representative" as used in the form includes any person authorized to act on behalf of another individual. (Tex. Occ. Code § 151.002(6); Tex. Health & Safety Code §§ 166.164, 241.151; and Tex. Probate Code § 3(aa)).

Health Information to be Released - If "All Health Information" is selected for release, health information includes, but is not limited to, all records and other information regarding health history, treatment, hospitalization, tests, and outpatient care, and also educational records that may contain health information. As indicated on the form, specific authorization is required for the release of information about certain sensitive conditions, including:

- Mental health records (excluding "psychotherapy notes" as defined in HIPAA at 45 CFR 164.501).
- Drug, alcohol, or substance abuse records.
- Records or tests relating to HIV/AIDS.
- Genetic (inherited) diseases or tests (except as may be prohibited by 45 C.F.R. § 164.502).

Note on Release of Health Records - This form is not required for the permissible disclosure of an individual's protected health information to the individual or the individual's legally authorized representative. (45 C.F.R. §§ 164.502(a)(1)(i), 164.524; Tex. Health & Safety Code § 181.102). If requesting a copy of the individual's health records with this form, state and federal law allows such access, unless such access is determined by the physician or mental health provider to be harmful to the individual's physical, mental or emotional health. (Tex. Health & Safety Code §§ 181.102, 611.0045(b); Tex. Occ. Code § 159.006(a); 45 C.F.R. § 164.502(a)(1)). If a healthcare provider is specified in the "Who Can Receive and Use The Health Information" section of this form, then permission to receive protected health information also includes physicians, other health care providers (such as nurses and medical staff) who are involved in the individual's medical care at that entity's facility or that person's office, and health care providers who are covering or on call for the specified person or organization, and staff members or agents (such as business associates or qualified services organizations) who carry out activities and purposes permitted by law for that specified covered entity or person. If a covered entity other than a healthcare provider is specified, then permission to receive protected health information also includes that organization's staff or agents and subcontractors who carry out activities and purposes permitted by this form for that organization. Individuals may be entitled to restrict certain disclosures of protected health information related to services paid for in full by the individual (45 C.F.R. § 164.522(a)(1)(vi)).

Authorizations for Sale or Marketing Purposes - If this authorization is being made for sale or marketing purposes and the covered entity will receive direct or indirect remuneration from a third party in connection with the use or disclosure of the individual's information for marketing, the authorization must clearly indicate to the individual that such remuneration is involved. (Tex. Health & Safety Code §181.152, .153; 45 C.F.R. § 164.508(a)(3), (4)).

Limitations of this form - This authorization form shall not be used for the disclosure of any health information as it relates to: (1) health benefits plan enrollment and/or related enrollment determinations (45 C.F.R. § 164.508(b)(4)(ii), .508(c)(2)(ii); (2) psychotherapy notes (45 C.F.R. § 164.508(b)(3)(ii); or for research purposes (45 C.F.R. § 164.508(b)(3)(i)). **Use of this form does not exempt any entity from compliance with applicable federal or state laws or regulations regarding access, use or disclosure of health information or other sensitive personal information (e.g., 42 CFR Part 2, restricting use of information pertaining to drug/alcohol abuse and treatment), and does not entitle an entity or its employees, agents or assigns to any limitation of liability for acts or omissions in connection with the access, use, or disclosure of health information obtained through use of the form.**

Charges - Some covered entities may charge a retrieval/processing fee and for copies of medical records. (Tex. Health & Safety Code § 241.154).

Right to Receive Copy - The individual and/or the individual's legally authorized representative has a right to receive a copy of this authorization.
